

Princethorpe College
An independent school for 11-18 year olds

Public Examination Results

For the summer 2022 exam sessions

Introduction

This booklet gives a summary of the A-level, GCSE & BTEC examination results achieved by our pupils in 2022, together with destination data. At Princethorpe we are committed to supporting our pupils to develop as all-round individuals and achieve their full potential so that they are equipped to succeed in their next stages of education and beyond. We are delighted with the success of our A-level, BTEC and GCSE students, not only in their superb academic achievements, but also in the way that they have flourished as young people.

From a cohort of 129 Upper Sixth Formers, 90% of those moving onto university study do so at their first or second choice university. 45% of the grades they achieved were at A* or A and 95% at A* - C. We are proud of their academic achievements, together with the many other qualities they have developed at the College: kindness, respect and a strong sense of morality, all of which will be very important as they move on to the next phase of their lives.

At GCSE, from a cohort of 127 pupils, 54% of grades were at the coveted grade 9, 8 or 7 (A* - A), and 78% at grade 6 (B) or better. Again, we are delighted with their excellent results, but also in the way they have matured as young people. The vast majority of this cohort have continued into our Sixth Form and, when combined with the super selection of external students we have welcomed to the College, have given us a new Lower Sixth from whom we expect great things.

Whilst incredibly important, we do so much more than help our pupils achieve excellent examination results. We offer a caring, supportive and well-ordered educational environment, encouraging pupils to develop their full potential academically, socially, physically and spiritually.

To quote our most recent school ISI Inspection Report (2022):

“The quality of the pupils’ personal development is excellent... Pupils in the sixth form declared in interview that the difference between the pupils they were on arrival and how they were now, was ‘simply exponential’ and they were very appreciative of their time at the school. In the questionnaire, parents praised the strong support provided by the school for their children’s development as individuals.”

Table 1: Departmental A-level & BTEC results

The table shows the results in all A-level subjects and their equivalents in which our students were examined.

Table 2: Departmental GCSE & BTEC results

The table shows the results in all GCSE and IGCSE subjects and their equivalents. All pupils take GCSEs in English Language, English Literature, Religious Studies and Mathematics. In Science pupils either take three separate Sciences or Combined Science. Most also take a Modern Language. The remaining subjects on the curriculum are all options.

Table 3: Leavers' Destinations 2017-2022

This table shows the institutions attended by Princethorpe graduates over the last five years.

Table 4: Leavers' Courses 2017-2022

This table shows the courses undertaken by Princethorpe graduates over the last five years.
